- 6 built-in fonts, in 3 sizes

Wide variety of 101 built-in embroidery patterns

Start embroidering right away with any of the 101 built-in embroidery patterns found on the NV-750D

Easy threading

Deluxe system automatically threads the needle.

Auto tension

Detects the thickness of fabrics and automatically adjusts the thread tension to the most appropriate one.

Thread sensor for upper thread

The NV700E has an upper thread sensor that warns you when the upper thread is broken or run out.

Large embroidery area

The NV-750D has a large embroidery area so you can create even bigger and more intricate designs.

Express your creative ideas in the large embroidery area.

- 180mm x 130mm embroidery area

Instantly import patterns via PC or Brother Memory Card

We've even made it easy for you to import your own patterns. Just insert an embroidery memory card or connect the NV-750D to your PC via the USB port and send your embroidery design directly to the machine.

LCD touch screen

Manage all the functions with a simple touch of the easy-to-read LCD display.

On-screen editing

Powerful editing features include layout, pattern rotation in 1 degree increments, mirror imaging and scaling.

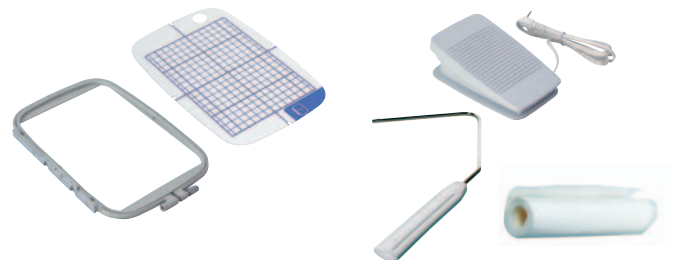

What's in the box

The **Innov-is** 750D comes complete with a host of accessories that are stored in the flatbed attachment, so you can keep them neatly packed away until you need to use them.

Optional Accessories

- The **Innov-is** 750D is compatible with most Brother and Disney embroidery cards.
- Embroidery frames; Small - 20 x 60mm & 300 x 130mm multi position frame.
- Bobbin fill; for best results use Brother EBT-PE
