

# BC-2500

An easy to use computerised sewing machine.  
 Features 60 built-in stitches.

## Features

LCD screen

Dual LED lamp

Needle threader

1-step automatic buttonholer

Needle stop position switch mechanism

Quick-set bobbin

Six-point feed-dogs

Handy central controls

Presser-foot levelling button

Twin needle for two-colour stitching

Drop feed

Free arm

F.A.S.T. bobbin winding system

Always at your side

## Features

### LCD screen

LCD screen enables customers to easily recognize important sewing information including stitch width/length and type of presser foot for a selected stitch.

- Simply press buttons to select stitches and to set out stitch length and width.
- Default value is set out for each stitches. So, you can use a stitch at its best suited length and width.

### Dual LED lamp

The convenient lamp makes it easier to work with dark fabrics.

### Needle threader

Quick and easy needle threading. Saves time and your eyesight, by automatically feeding the thread through the needle's eye.

### 1-step automatic buttonholer

1-step "Auto-size" buttonholer creates a perfectly uniform buttonhole every time. Simply select the stitch and follow the directions to sew all four sides of the buttonhole without moving a lever.

### Needle stop position switch mechanism

No need to adjust the balance wheel to lower the needle. Choose the needle down position and rotate the fabric for complete control when stitching corners or needle up when stitching straight seams.

### Quick-set bobbin

Simply drop in a full bobbin and the Quick-Set feature has you ready to sew immediately.

### Six-point feed-dogs

Effortlessly create smooth, accurate seams on any fabric from the lightest silks to heavy denim.

### Handy central controls

For ease of use, "Start/Stop" button, "Needle Position" button and sewing speed controller are on one convenient panel.

### Presser-foot levelling button

Keeps the presser foot level for smooth, consistent stitching over changing fabric thicknesses, such as the start of a seam or crossing seams.

### Twin needle for two-colour stitching

Your machine is designed for twin needle sewing, which allows you to sew with two top threads. You can use the same colour or two different colours of thread for making decorative stitches.

## Computerised sewing machine enables you to enjoy full of useful stitches !

Total  
**60** stitches

## Optional accessories\*

### Walking foot

Ensures an even feed action when sewing multiple layers of fabric or when matching fabric prints.

### Quilting foot

A spring action, clear quilting foot marked for easy reference that handles a variety of fabric thicknesses.

### Friendly to the environment

Brother has created its own "Brother Green Label" classification for environmentally friendly products. During the production process of BC-2500, emissions of carbon dioxide (CO<sub>2</sub>) are reduced to one-third\*, and they conform to this classification.

\*Comparison by Brother with other established products in the same class.
