MEDIA CARD
CENTRE

- Achieve impressive print speeds of up to 33 mono and 27 colour prints per minute
- High quality printing with up to 6,000dpi resolution and a droplet size of 1.5 picolitres
- Easy to navigate: with simple menu structure and 1.9" colour LCD display
- Scan and copy with the 15-sheet Automatic Document Feeder (ADF)
- Save time and paper by sending faxes directly from your PC
- Print from media cards without turning on your PC with the MFC-J410's built in media card centre

MFC-J410 Compact Colour Inkjet Multi-Function Centre with Fax and Automatic Document Feeder

Do More with the MFC-J410: combining high quality Print, Scan, Copy and Fax capabilities into one stylish, compact and feature packed machine.

Save time by printing at impressive speeds of up to 33 mono and 27 colour pages per minute and print borderless colour photos in as little as 49 seconds. The MFC-J410 also offers professional print quality with a droplet size of 1.5 picolitres and up to 6,000dpi resolution.

Navigate the simple to use menu via the 1.9" colour LCD display and well designed control panel in order to get the most from your machine. You can also print from or scan to media cards directly from your printer, without the need to turn on your PC.

Scan or Copy multiple pages at the touch of a button with the 15-sheet Automatic Document Feeder, or copy bound and irregular shaped items on the flatbed scanner.

The MFC-J410 offers a range of time saving scanning features including scan to OCR, memory card, email or FTP server.

The MFC-J410 complies with the ENERGY STAR standard, ensuring low energy consumption, low noise levels and a recycle-friendly design.

All Brother inkjet Multi-Function Centres use an individual ink cartridge system.

This means you only have to replace the colour that runs out instead of having to discard an entire tri-colour cartridge - reducing waste, protecting the environment and saving you money. Further more, you can return your empty ink cartridge via the Cartridges 4 Planet Ark recycling program and you will be helping to protect the environment. For more information go to www.brotherearth.com

To achieve the highest print quality, we recommend using original Brother LC39 ink cartridges together with Brother BP71 Premium Plus photo paper.

MFC-J410 Technical Specifications

General		Paper Handling	
Technology	Inkjet	Paper Input	100 sheet paper tray 15 sheet automatic document feeder (ADF)
Memory Capacity	32MB	Paper Output	50 sheets
