### Brother Mobile Connect

### Upfront affordability and low operating costs

The DCP-J1200W XL gives you the best of both worlds – affordability and exceptional value! The high-yield ink cartridges supplied in-box means you don't have to worry about replacing ink cartridges for up to 2 year<sup>8</sup>, delivering uninterrupted printing so you can focus on what's important.

### Simple to use with your smart device

The power of printing is now at your fingertips with Brother's latest app. The Brother Mobile Connect App allows you to manage your printing and scanning more effectively, superseding the need for a touchscreen.

### The perfect fit for home printing

With print speeds up to 16ppm, easy wireless connectivity options and AirPrint<sup>11</sup> compatibility, printing and scanning is convenient and simple - anyone can use it!

### No mess, no fuss INKvestment Technology

Unlike other tank systems, there is no need to stop and re-fill your ink tanks, which can be a fiddly and messy process. Let our INKvestment cartridges do the work for you!

### Print with confidence using the Page Gauge

Keep tabs on your ink usage with the Page Gauge feature on the Brother Mobile Connect App. The app gives you a visual and numeric representation of the ink you're using, so you'll always know when you need to replace your cartridges.

### Sleek and modern design

The sleek, compact design of the DCP-J1200W XL means that it can fit easily into any home or workspace - and look good too!

### Brother at your side support

Wherever you are in Australia, Brother offers free product support for the lifetime of your product.
