A flexible printing solution

Designed to fit perfectly into small spaces, the compact DCP-J1260W provides straight forward functionality and excellent printing quality at an affordable price with up to a year of ink in the box[1]. Easily print, scan and copy from one device - the wireless connectivity allows everyone in your household to use the machine seamlessly from their laptop or mobile device.

DCP-J1260W

Key features:

- Comes with up to a year of ink In-box[1] (Up to 1,400 black, 1,350 colour pages[4])
- Print up to 16 pages per minute[2]
- Dual band WiFi and USB connectivity
- Print from or scan to a PC or mobile app
- 150-sheet paper input tray
- Standard replacement ink (up to 250 black / 200 colour pages[4]), high-yield replacement ink (up to 500 black / 500 colour pages[4])

INKvestment
The DCP-J1260W is not only affordable, it also comes with up to a year worth of ink in the box[1]. Fewer cartridge replacements means fewer supply runs, that's more peace of mind and money in your pocket.

Print, copy, scan
Streamline your home-office workflow with a single device that covers your every day-to-day tasks. Easily jump from printing boarding passes to copying tax documents or scanning the kids' homework.

Efficient
Simplify your day with clutter free paper management. The easily accessible 150-sheet paper tray, protects your paper when printing. Save time with print speeds of up to 16 pages per minute[2] and easily scan documents and send them directly to your desktop or mobile device.

Easy set-up and connectivity
Set up your device with ease and stay connected through the Brother Mobile Connect app. Whether you're printing from your smartphone in the lounge or scanning from your tablet in the study, you're in full control. Check ink levels, access your scan history and personalise your favourite features. With flexible connectivity options including dual band Wi-Fi and USB, it's designed to fit effortlessly into your workflow.

Compact
Designed to keep your space yours, the DCP-J1260W fits on a bookshelf, sideboard, or study nook. It's low-profile and clutter-free, blending into the background until you need it.

EPS-free packaging
Our award-winning moulded pulp packaging replaces Expanded Polystyrene (EPS), offering durable, flexible protection for safe product delivery. By utilising fewer resources, it's more sustainable and easier to recycle.

Brother *at your side*
Wherever you are in Australia, Brother offers free Customer Care support for the lifetime of your product.
