#### Quiet without compromise

With its streamlined design, the MFC-L3755CDW is engineered to print quietly while delivering speeds up to 25% faster than the previous generation, so you can print continuously and without distraction.

### Secure by design

To keep pace with the ever-evolving legislation on privacy and data security, our devices offer the latest industrystandard security features to protect your data. The MFC-L3755CDW provides a range of robust features including triple-layer security at a device, network and document level which is verified through external security certification. This offers added peace of mind and guarantees that the integrity of your data is maintained at every step.

#### Designed to go the distance

Built to perform for longer, the MFC-L3755CDW has been designed with you in mind. Made from robust and hardwearing materials and supported by outstanding service as standard, Brother's award-winning reliability allows you to deliver uncompromised performance at all times.

#### Brother at your side support

Wherever you are in Australia, Brother offers <u>free</u> <u>product support</u> for the lifetime of your product.
