- Includes an up to 3,000 page<sup>11</sup> in-box toner
- Super-high capacity replacement toners available, up to 11,000 pages<sup>11</sup>
- Integrates with Brother and third-party solutions

#### **Print for longer**

The MFC-L5710DW is designed to keep you printing for longer with a super-high capacity toner cartridge printing up to 11,000 pages<sup>11</sup> and includes an up to 3,000<sup>11</sup> page in-box toner. Stay focused on your work with a paper input tray fitting 250 sheets<sup>6</sup>, expandable with optional paper input trays.

#### Intelligent connectivity

Improve efficiency by customising the 8.8cm colour touchscreen with up to 48 shortcuts to your frequently used functions. Simplify your set up process using the Brother Mobile Connect app, unlocking business quality printing and scanning right from your mobile device. Connect easily and securely, your way with Gigabit ethernet, 2.4/5GHz Wi-Fi or Hi-Speed 2.0 USB connection.

#### Built to last

The MFC-L5710DW sets the industry standard for longevity in a professional, high print volume environment. With a longer lasting drum unit and components designed for durability, you can be confident that it will keep up with your requirements, no matter how rigorous.

#### Secure by design

To keep pace with the ever-evolving legislation on privacy and data security, our devices offer the latest industry-standard security features to securely protect your data. The MFC-L.5710DW provides a range of robust features including triple-layer security at a device, network and document level which is verified through external security certification. This offers added peace of mind and guarantees that the integrity of your data is maintained at every step.

#### Speed and performance

Boost your productivity with the MFC-L5710DW and experience lightning-fast printing speeds of up to 48ppm<sup>9</sup> with a First Page Out Time from 6.7 seconds<sup>10</sup>. This professional workhorse will make short work of your most demanding tasks - scan your documents quickly at up to 56ipm<sup>12</sup> using the 50-sheet 2-sided (duplex) Automatic Document Feeder (ADF).

#### Solutions ready

Easily set up, customise, and automate workflows for optimised use. Improve business processes and security with print management solutions. A suite of document management, security and workflow solutions can be added to the MFC-L5710DW to provide additional professional features to further improve your business processes.

#### Impressive scalability

Engineered to fit into your workspace and meet specific printing requirements, the MFC-L5710DW can be transformed from a desktop device to a highly efficient, floor-standing model. The impressive scalability of this printer means that it can expand its paper handling from 250 sheets to up to 1,290 sheets<sup>6</sup> by adding optional paper trays.

#### **Seamless integration**

As a Brother customer, you'll have access to a wide choice of leading software vendors, including PaperCut, Kofax and YSoft, to create tailored solutions for your specific requirements and ensure your MFC-L5710DW works even harder to meet your needs.
