

PT-E310BTVP

Introducing Brother's Pro Labelling Machine

Built with electricians and network professionals in mind

The Brother PT-E310BTVP is your reliable, no fuss labelling companion for any worksite. Prints up to 18mm wide labels, with an industrial strength cutter, Bluetooth and USB Type C. Dedicated keys for common electrical and network tasks, QR code printing and tested-to-the-extreme TZe Pro tapes or heat shrink tubes, get the job done right every time.

PT-E310BTVP

Key features:

- Connect and print easily via your phone using Bluetooth or a desktop PC using USB
- Up to 6 “one-touch” function keys for general label, faceplate cable flag/wrap, punch down block and patch panel ID
- Fast print speeds of up to 20 labels per minute
- Up to 18mm wide labels
- Large backlit display
- Add QR codes or 2D barcodes and logos to your labels
- Compatible with Brother’s TZe range of tapes with labels tested to the extreme and HSe heat shrink tubes

Reliable and efficient labelling partner

Your go-to, no-nonsense label printer for everyday electrical and network tasks. PT-E310BTVP is a reliable workhorse that gets the job done right, every time, with essential features and Brother’s trusted durability.

Intuitive and easy to use

Labelling at your fingertips. The Brother PT-E310BTVP is designed to be easy to use, right out of the box. With built-in features and dedicated one-touch functions, spend less time fiddling with settings and more time getting the job done - you’ll be labelling like a pro in minutes.

Compact & portable on-the-go

Built for the Aussie tradie on the move. The PT-E310BTVP is compact and easy to carry, making it perfect for on-site labelling wherever the job takes you. Grab it and go, knowing you’ve got a reliable labelling solution in your kit.

Versatile TZe laminated tapes

From scorching heat to pouring rain, your labels need to endure all extremes. Brother’s TZe range of laminated tapes are waterproof, abrasion and chemical-resistant - built and tested to withstand any conditions they’re thrown into. It’s even compatible with our HSe heat shrink tubes to make cable labelling a breeze.

Built-in industrial strength cutter

Built tough for the worksite. The PT-E310BTVP features a robust, manual cutter design for industrial use. Get clean cuts and minimise waste with the cut/pause function, making your label tape go further.

Brother’s at your side support

Our team of experts are also *at your side* to ensure this is the right product for your requirements. [Click to enquire.](#)

Technical Specifications for the PT-E310BTVP
