

Compact thermal fax machine with built-in handset

The easy-to-use thermal fax machine that you can count on for all your home or small business needs.

- Anti-Curl System and Automatic Paper Cutter
- Telstra FaxStream Duet and Caller ID compatibility
- Up to 10 one touch dials and 50 speed dial locations
- Up to 10-sheet Automatic Document Feeder (ADF)

FAX-515

The Brother FAX-515 is the ideal choice for home or on the desk at work. With a fax, phone and copier in one compact, attractive unit, it offers all the features of many more advanced machines, but at a personal fax price.

With Brother's Anti-Curl System™ and Automatic Paper Cutter, you get plain paper-like performance.
