## NV400 Sewing Machine

A feature packed computerised sewing machine with easy to use touch button controls and back lit LCD screen.

- 294 Stitches including alphabet
- Automatic thread trimming
- Advanced needle threading system
- Knee Lift
- Wide table and quilting feet included

# Be sure of the best stitch quality every time

The NV400 will revolutionise the way you sew. Enjoy applying any one of a huge range of built-in stitches, including a variety of utility stitches from blind hems to advanced decorative patterns. Choose from 294 utility and decorative stitches including 10 buttonholes and 3 fonts.

## Advanced needle threading system

The NV400 has an advanced in-built system so threading the needle is effortless.

## Presser-foot levelling button

Keeps the presser foot level for smooth, consistent stitching over changing fabric thickness such as the start of a seam or crossing seams.

## Seven-point feed

Extra teeth for smoother feeding, gives superior stitch quality, smooth and pinpoint seams on any weight of fabric from sheer silk to corduroy and denim.

## Accessory compartment

This space comfortably holds all the included accessories and space beneath the tray for additional accessories.

## Quick set bobbin

Just drop in a full bobbin thread in the direction of the arrow and you are ready to sew - nothing could be simpler.

## Wide table

The extra wide table included with the NV400 helps make light work of large items. It's easier than ever to handle large projects such as quilts and bed linen.

### Presser-foot pressure adjustment

Helps you stitch pucker-free seams on even the stretchiest of knits. Simply adjust the pressure applied by the presser foot.

### Speed control customised for zigzag width

The slide control can be set from slow to fast to ensure you always sew with accuracy particularly on intricate detail or curves. It can also be programmed to alter the stitch width on zig-zag.

### Knee Lift

Sew hands free by using your knee to lift the presser foot. Ideal for working on large projects such as quilts.

### Direct Stitch Selection

Simply key in the number of the pre-programmed stitch you would like to use.

### My favourite stitch

A handy function that allows you to store your favourite stitches giving you one touch access to those most frequently used.

### My Custom Stitch™

This unique feature allows you to design your own decorative stitches on the LCD display panel and save them to memory. This feature is convenient for quilting and creating unique projects.

## 294 Built-in Stitch selections including 3 Alphabetical Styles.

The built-in stitch selection is perfect for enhancing the sewing of everything from clothing to home decor.

## What's in the box

Accessory kit

Hard Cover

Extra wide table

Quilting foot & walking foot

## Optional accessories

### Circular attachment

Create precise circles with a radius ranging from 30mm to 130mm. A great tool for creating circles with straight stitching, zigzag, embellishing and decorative stitches.
