## PE770 Embroidery Only Machine

Create high-quality embroidery designs quickly and easily with the Brother PE770 Embroidery-only machine. Import designs easily from your USB memory stick or utilise the Brother Memory Card Library for even more designs.

- 136 built in embroidery designs including 6 embroidery lettering fonts
- Large embroidery area of 180 x 130mm
- Automatic needle threader
- LED lighting
- Embroidery speed of 650 stitches per minute
- USB port for easy import of designs

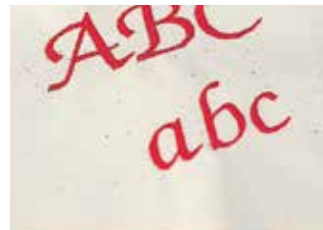

### 180 x 130mm Embroidery area

The PE770 has a large embroidery area so you can express your creative ideas and make even bigger and more intricate designs.

### Built-in embroidery font styles

6 built-in embroidery font styles make it easy for you to personalise all your embroidery projects.

### Wide variety of built-in embroidery patterns

136 built in embroidery designs

### Built-in embroidery frames

Choose from 10 frame shapes and 12 border styles. Combine with lettering to create unique and stylish monograms.

### Handy Central Controls

For ease of use, all operating buttons are on one convenient panel. Buttons include thread trimmer, needle position up or down and start/stop.

### • Auto tension

Automatically adjusts thread tension to the most appropriate one.

### • Thread sensor for bobbin and needle thread

The PE770 has sensors that will detect a thread break in the needle and also detect if the bobbin is low.

## Optional accessories

### Embroidery Card and USB Library

The diverse collection includes something for everyone, from licensed products to floral, geometric, seasonal, whimsical, traditional, lacy, juvenile, elegant, sporty design and more!

### PE-DESIGN NEXT and PE Design Plus Software

This rich combination of exciting design options and digitizing capabilities allows you to turn virtually any image—including photographs, drawings and clip art—into an embroidery design.

### Embroidery Threads

Large collection of high quality embroidery threads. Metallic and flesh tone threads are included.
