

PR655C 6 Needle Embroidery Machine

When it comes to powerful, multi-needle embroidery machines, Brother sets the standard with the Entrepreneur PR655C. Multi-needle embroidery for profit-minded professionals and passionate hobbyists alike.

- NEW! Droplight embroidery positioning marker
- Expanded library of 25 built-in embroidery designs and 28 size adjustable embroidery lettering fonts
- Enhanced frame detection for use with optional border, quilt, round, and the new clamp frames
- Extra-large embroidery area – 300 x 200mm
- High definition ASV LCD touch screen
- Up to 1,000 stitches per minute (embroidery speed)

ENTREPRENEUR PR655C

Enhanced 6-Needle Embroidery

NEW FOR
2013

The Entrepreneur PR655C advanced 6-needle embroidery machine combines easy-to-use features with innovative technology to deliver an affordable yet feature-packed multi-needle machine for embroidery enthusiasts and budding entrepreneurs.

Get the same Brother - exclusive features found in earlier Entrepreneur models, including a generous 300 x 200mm embroidery area, library of designs and fonts, powerful editing features plus exciting new features that will help make creativity and productivity more seamless than ever before!

EXCITING NEW FEATURES

DROPLIGHT EMBROIDERY POSITIONING MARKER

See the exact needle drop position, eliminating guesswork and providing pinpoint accuracy.

ENHANCED FRAME SENSOR Use border, quilt and round frames with the PR655C.

3 ADDITIONAL BUILT-IN FONT STYLES You'll love the professional results of our new Signature, Elegant and Children-style fonts.

OPTIONAL [◊] CLAMP FRAME AND ARM D Embroider the sides and tongues of shoes with ease.

OPTIONAL [◊] PR-SERIES STAND Convenient new design makes handling, storage and use quicker and more efficient.

[◊] Additional purchase required.

EXTENSIVE LIBRARY OF DESIGNS AND FONTS

25 built-in embroidery designs; 28 size-adjustable embroidery lettering fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles, 15 coordinating accents and 10 frame designs.

STITCH WITH CONFIDENCE USING THE BASTING FUNCTION

Apply a basting stitch outline to the perimeter of any design to hold the fabric to the stabilizer, great for larger fabrics and hard-to-frame items.

THREAD SPOOL RESET Ability to cancel thread colour settings, or have colours stitch sequentially.

EIGHT-SIDED DESIGN TRACE FUNCTION Automatic, eight-sided design trace gives you more accurate design placement. A feature exclusive to Brother.

INCLUDED ACCESSORIES

Four included frames: 300 x 200mm, 180 x 130mm, 100 x 100mm and 60 x 40mm

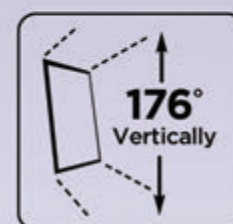

PR655C boasts an array of features and functions that truly make it the last word in multi-needle embroidery for hobbyists and professionals alike.

HIGH DEFINITION ASV LCD TOUCH SCREEN

16.7 MILLION possible colours with little or no on-screen colour shifting. Viewing angle of 176°

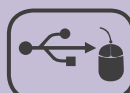

- Preview your design before stitching
- On-screen tutorials with videos and diagrams
- Adjustable screen brightness setting

THREE USB PORTS

Standard Transfer smaller design files to and from the machine[†]

High Speed 2.0 Transfer larger designs with an external hard drive, card reader, or memory stick^{††}

Computer Connectivity Download machine upgrades

[†] USB flash drive not included. ^{††} Additional purchase required.

POWERFUL ON-SCREEN DESIGN AND EDITING

CAPABILITIES Rotate, mirror image, move, copy, enlarge/reduce, letter spacing, thread density and group/ungroup edit functions.

ADJUSTABLE EMBROIDERY SPEED Up to 1,000 stitches per minute.

BUILT-IN MACHINE MEMORY Save up to 500,000 stitches.

BUILT-IN LINK-READY FUNCTION
