

Brother™ iPrint&Label

A label printing app for your Apple® and Android™ Mobile Devices

Brother™ iPrint&Label is a FREE app that enables you to easily and conveniently print labels from your Apple® iPhone®, iPad®†, iPod touch® or Android™ mobile device on your wireless network.

Print labels wirelessly using the Brother™ iPrint&Label App:

- Quickly access and print pre-designed labels
- Create custom labels with graphics or photos
- Print address labels from contact lists
- Print name badges with photos from your album

Print

Just download the app and it will automatically search for supported devices on your local wireless network.
