Then take piece C and stitch it to piece D. Stitch both sections together, press. Using a decorative stitch, topstitch on top of the seams. Placing the heart on the lining, trim the lining to the same size. Sew the pieces right sides together leaving an opening along the side.

 3. For the belt loop fold the fabric in half lengthways, wrong sides together. Open this out and fold the raw edges in towards the middle fold and press. Top stitch along both long edges. Fold in half and baste onto the apron front 3" (7.6cm) in from the side.
 4. Using a ¼" (0.63cm) seam sew patchwork squares in to 2 strips; one strip will have 9 squares. the other 8 squares.
- Press all seams. Place the strips together arranging them as pictured on the apron. Sew the strips right sides together, press. Even the edges of the longer strip to match the shorter strip.
5. Pin the patchwork strip, right sides together to the bottom of the apron front, stitch in place. Press.
 6. Place the lace along the top edge of the patchwork pinning it down with the ric rac on top. Stitch down using a straight stitch through the centre of the ric rac.
 7. Pin the apron front to the lining right sides together, trimming the lining if needed. Using a 0.39" (1cm) seam allowance, sew the side edges and the bottom edge. Turn right side out, press.
 8. Fold the ties in half right sides together along the length. Using a 0.39" (1cm) 1cm seam allowance stitch along the length and 1 short end. Clip the corners and turn right side out. Press
 9. Fold the side edges of the waistband ½" (1.26cm) under then press. Fold the waistband in half lengthways and press. Then fold 1 edge ½" (1.26cm) inward the wrong side, press. This edge is the back of the waistband.
 10. Pin the apron front to the front of the waistband right sides together. Using a 0.39" (1cm) seam allowance sew in place. Press the seam toward the waist band.
