

# The Reliable Choice

For more than a century, Brother has won recognition as a brand synonymous with delivering product innovation and customer satisfaction. A Japanese company founded in 1908, the Brother group delivers products and services to customers all over the world with 14 production sites (including five factories of Brother Industries, Ltd. ) and 53 sales sites in 44 countries and regions of the world (as of July 2015).

A trusted brand worldwide that believes in the "Customer First" approach in all aspects of business, Brother has continuously met the varied needs of customers through a comprehensive range of quality solutions.
